Dear Profs. Branco and Rebello,

I would like to apply for the postdoctoral position in theoretical particle physics at the Centro de Fisica Teorica de Particulas (CFTP) in the IST. Please find attached my letter of intent, curriculum vitae, publication list, research statement, and a list of the names and contact information for the references who will be providing letters of reference in support of my application.

I look forward to hearing from you.

Sincerely,

-BT
