Dear Sir,

I am interested in the position of post-doc at your department. I have done Ph.D. from Physical Research Laboratory, Ahmedabad, India. Presently I am a postdoc at Tata Institute of Fundamental Research, Mumbai, India. My research interest includes CP violation, Flavor Physics, Models of physics beyond standard model and Neutrinos. My CV and list of publication are enclosed. I request you to consider me for this job opening. I appreciate your taking the time to review my credentials and experience.

Again, thank you for your consideration.

Sincerely,

Kodrani Bhavikkumar Pravinkumar
