Dear Prof. Gustavo Branco,

Please find enclosed my application materials for the postdoctoral position.

This application contains my research credentials in Particle Physics Phenomenology and Dark Matter Physics. Included are my CV, a list of my publications, and my statement of research interests. I have also arranged for 3 letters of recommendation to be sent in support of this application from the following referees:

Howard Baer, Nicolao Fornengo, and Senarath De Alwis.

If you have any questions or require further materials, please let me know. Thank you

very much for your consideration.

Best,  
Shibi Rajagopalan
